# TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

*By Appointment.*

**River Scene.** This is a picture of Nadi creek, the estuary of the Nadi river which flows into Savu Savu Bay on the south coast of Vanua Levu, the second largest island of the Fijian group. Luxuriant vegetation is a great feature of the scenery of these lovely islands, the graceful cocoanut palm being the most frequently found tree.
